

1st SEMESTER

PRINCIPLES OF IMMUNOLOGICAL MECHANISMS - CLINICAL & LABORATORY APPLICATIONS

SEPTEMBER - DECEMBER 2026

DATE	TIME	INSTRUCTOR	TOPIC
MONDAY 28/9/2026	17.00-18.00 18.00-19.30	Mavragani Kleio Professor of Physiology-Clinical Physiology, Medical School-NKUA Gerменis Anastasios Professor Emeritus of Immunology, University of Thessaly	Detailed presentation of the Postgraduate Program. Introduction to the Science of Immunology.
WEDNESDAY 30/9/2026	17.00-20.00	Chatziioannou Katerina Postdoctoral Researcher, Biomedical Research Foundation of the Academy of Athens	Overview - Identity and function of the immune response.
MONDAY 5/10/2026	17.00-20.00	Giannouli Stavroula Associate Professor of Internal Medicine-Hematology, Medical School-NKUA	Cells, Organs and Microenvironment of the Immune System.
WEDNESDAY 7/10/2026	17.00-20.00	Stravopodis Dimitris Associate Professor of Biology, Department of Biology-NKUA	Recognition and Response.
MONDAY 12/10/2026	17.00-20.00	Kolliarakis Vasiliki Researcher B', Biomedical Sciences Research Center "Alexander Fleming"	Innate immunity.
WEDNESDAY 14/10/2026	17.00-20.00	Mastellos Dimitris Researcher A', Division of Bidiagnostic Sciences and Technologies, NCSR "Demokritos"	The Complement System.
MONDAY 19/10/2026	17.00-20.00	Banos Angelos Assistant Professor, Medical School-NKUA	Organization and expression of lymphocyte receptor genes.
WEDNESDAY 21/10/2026	17.00-20.00	Malis Panagiotis (Postdoctoral Researcher - BRFAA) Papaioannou Nikolaos (Postdoctoral student, Laboratory of Immunological Regulation, BRFAA)	Major Histocompatibility Complex - Antigen presentation mechanisms.

DATE	TIME	INSTRUCTOR	TOPIC
MONDAY 26/10/2026	17.00-20.00	Chatziioannou Katerina Postdoctoral Researcher, Biomedical Research Foundation of the Academy of Athens	T-cell development.
MONDAY 2/11/2026	17.00-20.00	Galani Ioanna Researcher C', Biomedical Research Foundation of the Academy of Athens (BRFAA)	B-cell development and differentiation.
WEDNESDAY 4/11/2026	17.00-20.00	Alissafi Themis Assistant Professor of Biology, Medical School-NKUA	T-Cell Activation, Differentiation and Memory.
MONDAY 9/11/2026	17.00-20.00	Lampropoulou Vasiliki Assistant Professor of Microbiology, Medical School-NKUA	B-lymphocyte Activation, Differentiation and memory.
WEDNESDAY 11/11/2026	17.00-20.00	Keridani Dimitra (Postdoctoral Researcher-Laboratory of Immunology, BRFAA) Galani Ioanna (Researcher C', BRFAA)	Skin immunology. Mucosal immunology.
MONDAY 16/11/2026	17.00-20.00	Sallagianni Maria Postdoctoral Researcher, Center for Clinical, Experimental Surgery & Translational Research, BRFAA	Adaptive Immune Response in Time and Space.
WEDNESDAY 18/11/2026	17.00-20.00	Pitsios Konstantinos Allergist, MD, PhD, University of Cyprus-Medical School	Allergy, hypersensitivities and chronic inflammation.
MONDAY 23/11/2026	17.00-20.00	Vlachogiannis Nikos MD, PhD, Postdoctoral researcher, Laboratory of Physiology & 1st Department of Propaedeutic Internal Medicine, Medical School-NKUA	Immune response in clinical practice. Hypersensitivity reactions.
WEDNESDAY 25/11/2026	17.00-20.00	Tsirigotis Panagiotis Professor of Hematology, Medical School-NKUA	Transplantation.
MONDAY 30/11/2026	17.00-20.00	Alissafi Themis Assistant Professor of Biology, Medical School-NKUA	Tolerance-Autoimmunity.
WEDNESDAY 2/12/2026	17.00-20.00	Andreakos Evangelos Researcher A', Biomedical Research Foundation of the Academy of Athens	Immune responses to bacteria and viruses.

DATE	TIME	INSTRUCTOR	TOPIC
MONDAY 7/12/2026	17.00-20.00	Chamilos Georgios Professor, Medical School-University of Crete & Collaborating Researcher, FORTH, Heraklion, Crete	Immune responses to parasites/fungi.
WEDNESDAY 9/12/2026	17.00-20.00	Angelakis Emmanouil Head of Diagnostic Department, Director of Research, Hellenic Pasteur Institute	Principles of Diagnostic Immunology.
MONDAY 14/12/2026	17.00-20.00	Sypsas Nikolaos (Professor of Internal Medicine-Physiology-Infectious Diseases, Medical School-NKUA) Gamaletsou Maria (Assistant Professor, Medical School-NKUA, Internist-Infectious Diseases Specialist)	Vaccinations.
WEDNESDAY 16/12/2026	17.00-20.00	Speletas Mattheos Professor of Immunology, Medical School-University of Thessaly	Immunodeficiency Disorders.
MONDAY 21/12/2026	17.00-20.00	Tsitsilonis Ourania Professor of Immunology, Department of Biology-NKUA	Cancer and the Immune System.
		CHRISTMAS HOLIDAYS
